AMIR ALI

SUMMARY

As a highly motivated and detail-oriented software developer, I am passionate about developing innovative solutions to complex problems. I am also dedicated to learning and expanding my skill set. I have experience working on projects both individually and in a team setting, and am excited to bring my enthusiasm and strong work ethic to a new employer as a software developer.

PROJECTS

Tic-Tac-Toe: A complete game of tic tac toe versus the computer! Created using Vanilla Javascript and minimal HTML and CSS.

> GITHUB: https://github.com/satele99/tic-tac-toe-project

> LIVE: https://satele99.github.io/tic-tac-toe-project/

Book Archive: I put my knowledge to the test for the first time, by creating an archive to store all the books I have or will have read. Created using Javascript, HTML , and CSS.

> GITHUB: https://github.com/satele99/library

Budget App: Expense tracking app using React ! This app utilizes Redux for state management, and is connected to a postgres database via Sequelize!

GITHUB: https://github.com/satele99/react-expense-app

SOCIAL SOCIETY(Social Media Clone): Second Full-Stack Project! This was a group project that utilized React, Redux, Express.js, Sequelize, and Socket.io!

GITHUB: https://github.com/olyviahix/Capstone-Project

Logic/Reasoning, Team Collaboration, Problem Solver, Skilled Communicator, Fast Learner, Coachable, Resourceful.

EXPERIENCE

Wolf Gang Puck - Atlanta, GA — *Captain/Team Manager*

Nov 2018 - Nov 2020

- Experienced catering manager with a strong background in team management and daily operations. Proficient in planning/coordinating large scale events, with a keen-eye for detail and a focus for delivering exceptional quality for clients. Excelled in fostering strong communication amongst staff, delegating tasks, and mentoring teams of employees to ensure a high-level of productivity.

Bon Appetit - Atlanta, GA — *Senior Captain/Manager*

July 2021 - Jan 2022

- Demonstrated strong leadership, communication, and interpersonal skills. Meticulous attention to detail while overseeing preparation/planning of many events simultaneously.

Allied Universal - Atlanta, GA — *Security Specialist*

Jan 2022 - Present

- Demonstrated core skills such as attention to detail, problem solving, risk management, and clear communication. Also exemplified knowledge of security and privacy protocols for both physical sites and the hardware/software at site locations.

EDUCATION

Kennesaw State University - Kennesaw, GA — *Degree Not Granted*

Aug 2018 - Jan 2020

I completed 3 years of undergraduate studies, in Philosophy and Sociology.

Digital Crafts - Atlanta, GA - *Certificate Received*

Oct 2022 - May 4 2023

Program to help develop my technical software engineering skills. I learned the bulk of my skills here within the program.
